

Dear Radiate Parents and Students,

SuperWOW is quickly upon us. We are excited to spend this week with your student. We have an awesome lineup this year including Stewart Hall, Kristian Stanfill and Drew Warsham! Students will have free time each day to play on the beach and just hang out.

**The following has important leave and return information:**

Please ensure that your student(s) arrive to Burnt Hickory June 20th **no later** than 6:30 a.m. and eat breakfast beforehand. We will be returning on the 24th around 7:30 p.m. If this time is any earlier or later, students will call you to let you know. We will be staying at the SeaCrest Condos located in Fort Walton Beach, FL. Their phone number is 850.301.9600

Students will need to have enough money for one nice meal on Wednesday night and fast-food lunch on the way there and on the way home on the 25th. Dinner on Wednesday will cost around \$15.00. Students can bring their own snacks with them to camp if they would like.

If you have any questions or an emergency you can contact Chip Paul at 770.344.9427. We look forward to a great time of worship with your students!

Serving Him,  
Radiate Staff
